

FLX 300 SERIES / D
PENDANT

Origami-inspired shades make up the award-winning FLX pendant series. The fixtures suggest various shapes – a bird, a flower, a hat, maybe a turban that elide into other forms when seen from another perspective. The name FLX is an amalgam of the words “Flux”, “Flex” and “Felix”.

DESIGN TIP

Multiple fixtures with various shade options may be used in a single space such as an entry or restaurant to add variety and changing perspectives.
