

SCALAR 500

WALL SCONCE

SCALAR sconces provide the space planner with flexible, adaptable design options, to create dynamic and personalized home or work environments. SCALAR fixtures marry residential design qualities with high technical performance, including energy efficiency and environmental integration. Energy-efficient Biax lamps for maximum light output.

Low glare and high quality patterns of distribution for computer-based workplaces.

DESIGN TIP

Ideal for corridors. Layouts can have fixtures at various alignments and angles giving a playful appearance.
